

Podcasting Production

❖ \$800 - Custom Podcast Blueprint Includes:

- Initial Consultation (Show Theme, Tone, Format, and Release Schedule | Host Selection | Goals | Marketing | Sponsors)
- Producing Intro / Outro Bumpers
- Equipment Setup and Training
- Host and Content Training
- Show Art Design Assistance
- Hosting Account and Distribution Channel Setup

❖ \$150* - Per-Episode Fee Includes:

- Editing and Production (editing out those little, um, “mistakes” | adding bumpers | applying music beds | sound engineering)
- Ongoing Hosting Account Management
- Episode and Show Notes Publishing and Distribution

* Final per-episode fee may vary, depending on show complexity

**OPTIONAL: A recording session may be added for additional fee of \$50.
